

Dear ACC Golfing Friends...

Now that the holidays are over and winter has set upon us, spring can't come soon enough for us!

With spring comes thoughts of getting back to women's golf at ACC. We are so excited about the opportunities coming with the new ownership and management.

We, the WGA Executive Committee have already been planning for the spring, summer and fall events. Our WGA calendar is filling up with weekly events, the Member-Guest Tournament, the NWAGA Play Day, the Ladies Invitational, the Interclub competitions and Mixers.

Enclosed you will find the WGA membership registration form. Dues for 2010 will be \$37.00. With your membership you will be eligible to participate in the WGA events. The 2010 3 out of 5 tournament and the Ringer tournament are included in your dues. What a bargain! However, the Hole-in-One insurance is optional for an additional \$3.00. You never know when you might get lucky.

Remember, we need all of you to encourage friends, neighbors, family, and golfing acquaintances to join Ashland WGA and Ashland Country Club.

We also want to encourage you to join NWAGA (Nebraska Women's Amateur Golf Association). Annual dues are only \$10.00. NWAGA members are eligible to play in NWAGA tournaments all over the State, receive the "Tee Off Time" publication and help support women's, collegiate and junior girls' golf in the State of Nebraska. Even if you choose not to participate in the NWAGA events, the organization needs your support to sustain and promote women's golf in Nebraska.

Come join in the fun! Join the WGA, join NWAGA, and join your golfing friends at the April Banquet on April 28th. This just might be your year to get a Hole-in One so remember to purchase the optional Hole-in-One insurance.

Happy golfing,

The Ashland Country Club Women's Golf Association Executive Committee,

Bettie Butts
Executive Chair

Joyce Braun
Executive Co-Chair

Ronda Dostal
Secretary/Treasurer
