

The Landscapes Unlimited Member Advantage Program (MAP) is designed to offer members and loyal customers of participating courses exclusive benefits when playing away from their home clubs. Members at participating clubs are automatically eligible for the playing privileges and discounts outlined on page two.

Reservations are made on a club-to-club basis. Members who wish to play under MAP Privileges must make the request at their home course. A course representative from the home course must then call the host club to make arrangements and verify times and rates. Under no circumstances may a member contact the host club directly and be eligible for MAP privileges.

MAP privileges are available at all participating Landscapes Unlimited courses, but benefits vary depending on the status of the member’s home club. Benefits are outlined in the table below, and a list of participating clubs and their MAP tier follows.

MAP Benefits

Member Home Club Type	Member Benefit when playing at an “Unlimited” Club	Member Benefit when playing at a “Landscapes” Club	Benefits at Daily Fee Courses
Unlimited	Playing Privileges at preferred guest rate, up to 20% savings	Preferred Rates, up to 20% savings.	Preferred Rates, up to 20% savings.
Landscapes	Playing Privileges at standard or unaccompanied guest rate.	Preferred Rates, up to 20% savings.	Preferred Rates, up to 20% savings.
